THIRD ANNUAL

PAWS & PAIRINGS

Dear Friends,

Our Cinco de Mayo themed Paws & Pairings event was held May 7, 2011 at the beautiful Watson Homestead. Guests in attendance were treated to delicious food prepared by Corning Catering, wine and spirits from top area wineries (Dr. Frank, Red Newt, Casa Larga, Glenora, Fulkerson & Fox Run) and entertainment from Chilean groove musicians, Lo Cornejos. His festive and fun charity event also featured an amazing silent auction. FLSPCA orphans captivated, cajoled and charmed all those who would visit with them on the veranda.

As a result of our community's support and participation in this fun event, much needed funds were raised. These monies will directly support the work of our organization to provide shelter and medical care to homeless animals, while allowing us to continue to provide humane programs to the community.

We would like to say thank you so much to everyone who came out for this special celebration and to all volunteers and donors who helped to support this event in any way. We would especially like to thank all of our event sponsors (as listed) and the organizing committee

Sincerely,
Vicki S. Mosgrove

STRIDES & STRUTS

Saturday May 21, 2011 the Finger Lakes SPCA held a fundraising walk where dogs and people collected pledges from community members to sponsor the walk. There were simultaneous walks in Bath and Corning, and collectively they raised over \$2000. Each walk was followed up by the Strut Your Mutt dog show, where guardians could enter their dogs in various categories including Smallest Canine, Best Wag, and Best Trained Human. Ribbons were awarded for first through third place in each category. Prizes were also given to the folks who collected the most pledges. In Bath, the top collector was Suzanne Fagan and her canine Riley. In second place were Anna Marie Piatt and her canine (and service dog) Bunsen. In Corning, the top fundraiser was Meghan Lyons, and second was Alison Gachter.
